

The following sponsors make
the symposium possible:

2. SCOT-Symposium Practical Course in Cardiology

Saturday
12.11.2022
Technopark Zurich
8.30-12.00

The Swiss Cardiologists of Tomorrow (SCOT) is a working group within the Swiss Society of Cardiology (SSC) and is committed to take care of the working conditions and education of cardiologists in training.

The SCOT would like to contribute to the regular training. Therefore, an annual SCOT symposium is planned from 2020 onwards. The topics of the SCOT symposium will be relevant to clinical practice and are aimed at cardiologists in training, as well as cardiologists in private practice and senior physicians.

Practical topics will be taught in a state-of-the-art lecture, and the knowledge will be enhanced with clinical cases, live-demonstrations and interactive questions.

Travel:

By public transport: Tram no. 4 to Technopark, walk 2 minutes.

Tram no. 8 / Bus no. 33/72 to Schiffbau, walk 4 minutes

Tram no. 17 to Förrlibuckstrasse, walk 4 minutes
